Instructions:

A <input type="text"/>	B <input type="text"/>	C <input type="text"/>
D <input type="text"/>	E <input type="text"/>	F <input type="text"/>
G <input type="text"/>	H <input type="text"/>	I <input type="text"/>

Write the last three draws of your PICK 3 lottery into the 3 Circle rows on the left. Start with the most recent one and go backwards.

Note that each circle is assigned a letter starting with A. The letters will help you find your play selections.

Once you entered all the numbers you can start creating your play selections by copying the digits from the circles on the left into the list below. Simply copy the digits according to the assigned letters.

This workout creates 13 combinations you can choose from.

Good Luck!
